Since January 2017, Pearl Seas Cruises has offered the most comprehensive small ship Cuban cruise available and was one of the first lines granted permission to begin cruising to Cuba from the U.S. In 2018, Pearl's 11-night *Cuba Cultural Voyage* remains one of the only itineraries that circumnavigates Cuba and visits more ports than any other cruise line. Pearl Seas' 11-night *Cuba Cultural Voyage* also provides guests triple the amount of time spent on shore—with 2 days in historic Havana. Pearl Seas' Cuba itinerary is the most authentic Cuba experience available—visiting all the smaller ports-of-call which larger lines can't access. **The cruises are conveniently roundtrip from Ft. Lauderdale.**

“Passenger testimonials continue to be glowing for our intimate, immersive, small-ship Cuba experience. What we are offering is unrivaled by what other lines offer and I wouldn't want to see Cuba any other way,” says a company spokeswoman for Pearl Seas.

Currently Pearl Seas has savings of up to \$1,000 off on select new bookings for spring 2019 cruises—sailing January through April 2019. Every Pearl Seas cruise offers award-winning onboard enrichment programs, guided shore excursions, and all-inclusive fine dining. The 210-passenger *Pearl Mist* has private furnished balconies and the largest, most comfortable staterooms in the industry.

Pearl Seas Cruises was recently awarded **Cruise Critic's 2018 Cruisers' Choice Award for Best Small Ship Line in the U.S. & Canada**. Pearl Seas Cruises provides an intimate cruising experience and highly personalized service. The Line offers unique itineraries to the Canadian Maritimes, St. Lawrence Seaway, The Great Lakes, New England, and Cuba.
